

INSPYR Solutions Announces Acquisition of BGSF's Professional Services Division in Significant Expansion

FORT LAUDERDALE, FL, UNITED STATES, September 8, 2025 /EINPresswire.com/ -- INSPYR Solutions, a portfolio company of A&M Capital Partners and a leading provider of technology and talent solutions, announced today that it has acquired BGSF's Professional Services Division. The company will integrate the team into its existing Professional Services division.

BGSF's Professional Services Division has built a reputation for quality consulting, managed services, and workforce solutions, making it a synergistic match for INSPYR Solutions. This acquisition will further enhance INSPYR Solutions' existing technology and talent solutions by expanding its service offerings and augmenting its professional services partnerships with the addition of Oracle, SAP, ServiceNow, Workday, and Workiva.

"This acquisition represents a bold step forward in our mission to redefine what's possible in the world of professional services and technology solutions," said Trent Beekman, CEO of INSPYR Solutions. "We're combining our strengths to create something greater than the sum of its parts. Together, we're now uniquely positioned to deliver smarter, faster, and more scalable solutions to our clients while unlocking new opportunities for innovation and growth. This is an exciting step forward as we integrate our teams and work to shape the future of our company as well as the professional services industry."

Eric Peters, President, Professional Services Division, commented, "Joining INSPYR Solutions marks an energizing new chapter for our team because we share a common vision for delivering innovative technology solutions that make a real impact for our clients. With the strength, scale, and expertise of INSPYR Solutions behind us, the possibilities are limitless. I'm very optimistic about what we can achieve together and look forward to building a future defined by growth, collaboration, and excellence."

About INSPYR Solutions

Technology is our focus and quality is our commitment. As a national expert in delivering flexible technology and talent solutions, we strategically align industry and technical expertise with our clients' business objectives and cultural needs. Our solutions are tailored to each client and include a wide variety of professional services, project, and talent solutions. By always striving for excellence and focusing on the human aspect of our business, we work seamlessly with our talent and clients to match the right solutions to the right opportunities.
