CHICAGO, IL, UNITED STATES, September 4, 2025

/EINPresswire.com/ -- [Marshall Louis Davis](#), life coach, speaker, and author, proudly announces the launch of his two transformative books, [Define the Truth and Overcome It Anyway Volume I & II](#), now available on Amazon. Both works offer practical strategies and faith-driven encouragement for readers seeking clarity, resilience, and purpose.

Overcome It Anyway – Volume I

Volume I takes readers on a faith-rooted journey of self-discovery and resilience. Blending personal storytelling, scripture, and actionable strategies, Davis helps readers confront fear, procrastination, and limiting beliefs. This debut volume empowers individuals to reclaim their identity, step into their purpose, and embrace transformation—making it a vital resource for anyone seeking direction in life.

Overcome It Anyway – Volume II

Volume II focuses on youth empowerment, written especially for readers aged 14 to 22. Structured as an interactive guide, it equips young people with tools, reflection prompts, affirmations, and scripture-based strategies to face adversity, build confidence, and navigate financial challenges. Highlights include the impactful “\$10 Envelope Exercise”, alongside practical lessons in goal setting and resilience. By combining knowledge with action, Volume II inspires young readers to transform challenges into opportunities for growth.

“These books were born out of deeply personal experiences of loss and the challenges my family faced due to a lack of preparation,” Davis shares. “My mission is to help others break free from fear, step into purpose, and build a legacy filled with love, strength, and resilience.”
