

# Teambuild Consultancy Introduces Virtual Assistants for the Property Sector

*Letting agents, landlords, and developers are finally getting the support they actually need*

LONDON, UNITED KINGDOM,  
September 10, 2025 /

EINPresswire.com/ -- The property industry moves fast. Miss one email, one viewing, or one call, and things fall behind. That's why [Teambuild Consultancy](#) is changing the game with dedicated [property virtual assistant](#) services made specifically for property professionals. These aren't just admin helpers. They're trained specialists who know how to keep things moving, even when your schedule is packed.

Here's what makes them stand out. Only 1 in 1,000 applicants makes it through the selection process. Your VA isn't just capable. They're in the top 0.1%. They understand how the property industry works, and are ready to plug into your team.

## Why This Works So Well:

Your VA becomes part of your team, not just a task-taker.

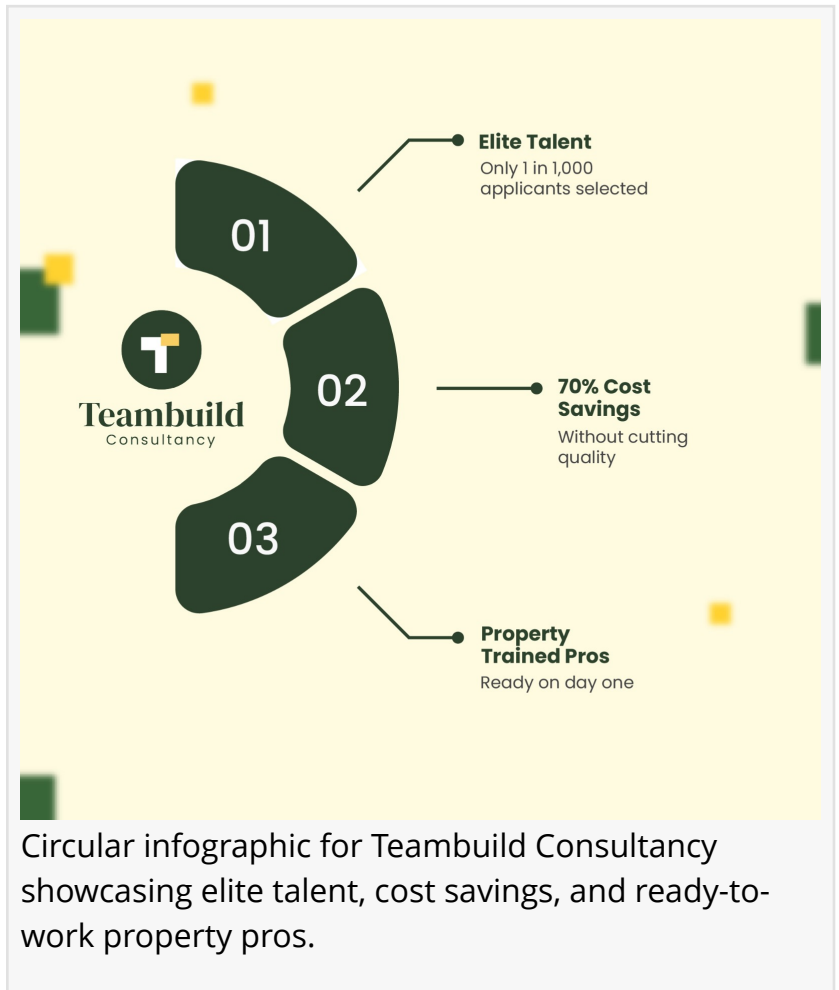

70% cost savings without cutting quality.

Teambuild handles all recruitment, HR, and payroll.

Get help with viewings, maintenance logs, emails, and more.

Property-trained professionals are ready on day one.

There's no need to hire in-house. No paperwork. No contracts locking you in. Just expert support

that saves you time, money, and energy.

Whether you manage a single property or an entire portfolio, this kind of help can make a real difference. And with Teambuild Consultancy ranking among the [best companies for virtual assistant](#) services, property professionals know they're getting proven quality and reliability.

#### About Teambuild Consultancy

Teambuild Consultancy is a UK-based company that supports professionals across the property industry. Its hand-picked virtual assistants are trained for roles in lettings, block management, property development, and more. Clients trust Teambuild to deliver experienced, reliable support without the stress of hiring or managing in-house.

“

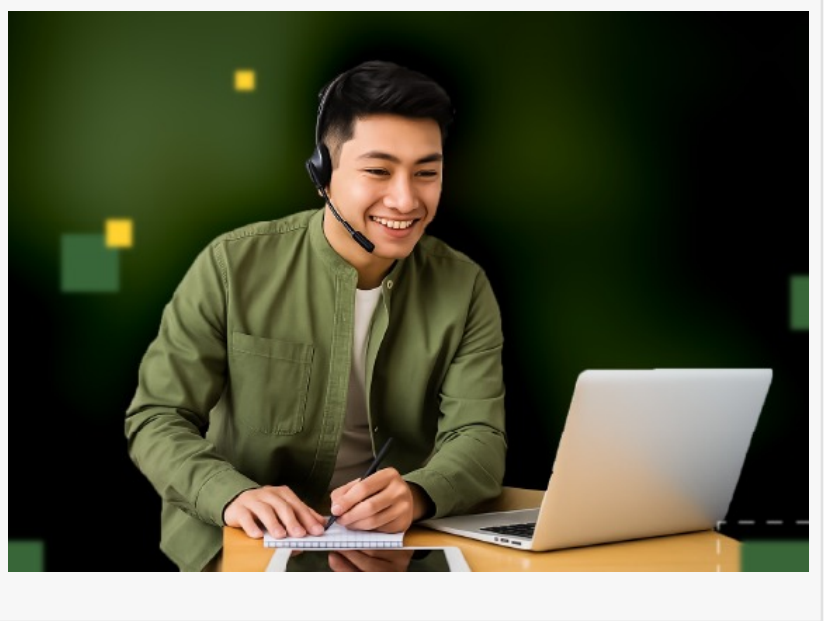

Most of our clients aren't looking for shortcuts. They want someone they can rely on who fits into their team and gets the job done”
