-- Inc., the leading media brand and playbook for the entrepreneurs and business leaders shaping our future, today announced that i-Tech Support is No. 4615 on the annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list provides a data-driven snapshot of the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Past honorees include companies such as Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, and Patagonia.

"Earning a spot on the Inc. 5000 for the second year in a row is both an honor and a reflection of our team's relentless dedication to our clients," said Armando Huerta, CEO of i-Tech Support. “Making the Inc. 5000 is always a remarkable achievement, but earning a spot this year speaks volumes about a company’s tenacity and clarity of vision,” says Mike Hofman, editor-in-chief of Inc. “These businesses have thrived amid rising costs, shifting global dynamics, and constant change. They didn’t just weather the storm—they grew through it, and their stories are a powerful reminder that the entrepreneurial spirit is the engine of the U.S. economy.”
