

# Nair Plastic Surgery Named 2025 Best of Florida Award Winner

---

CORAL GABLES, FL, UNITED STATES, September 20, 2025 /EINPresswire.com/ -- Nair Plastic Surgery has been recognized as a 2025 Best of Florida Award winner, highlighting the practice's dedication to excellence in cosmetic and reconstructive surgery. Led by Dr. Narayanan M. Nair, MD, FACS, FAAP, the practice has earned a reputation for combining surgical expertise with patient-centered care, offering solutions that range from facelifts and body contouring to Biopolymer Removal and Reconstruction.

For over a decade, Nair Plastic Surgery has focused on delivering precise, thoughtful, and individualized care. Beyond their extensive range of surgical and non-surgical services, the practice is known for a patient-first approach—taking the time to research solutions, address concerns thoroughly, and ensure every patient feels comfortable throughout the process. From facial rejuvenation and breast procedures to body contouring and male-specific treatments, the practice balances technical skill with a human touch.

"This award is a reflection of our team's commitment to excellence and to the trust our patients place in us," said Dr. Nair. "We strive to make every procedure safe, informed, and tailored to the individual, and it's an honor to be recognized by the community we serve."

The 2025 Best of Florida Award underscores Nair Plastic Surgery's role as a leader in the state's aesthetic and reconstructive landscape. The recognition also reinforces the practice's commitment to continuous innovation, patient education, and high standards of care. As Nair Plastic Surgery looks toward the future, the team remains focused on refining techniques, expanding services, and maintaining the personalized approach that has earned both patient loyalty and professional acclaim.

With this honor, Nair Plastic Surgery continues to set the standard for expert, compassionate care in Florida, offering patients results they can trust while shaping the future of modern cosmetic and reconstructive surgery.
