

ellee ven announces new single Crash Redirected dropping November 4th

NEW YORK, NY, UNITED STATES, October 28, 2025 /EINPresswire.com/ -- Following the release of her vibrant single Draw Life, multicultural songwriter and creative visionary ellee ven continues to shape her world through rhythm, reflection, and reinvention. Her upcoming single, Crash Redirected, arrives Tuesday, November 4, aligning with Election Day — a fitting moment to remind listeners of their power to redirect, rebuild, and reimagine.

“Draw Life is about creating a life that feels as good as it can be,” ellee ven shares. “But sometimes things don’t go as planned — Crash Redirected is what happens next.”

For multicultural songwriter ellee ven, fashion is pure expression — an international language as essential as music. And when it comes to translating passion into style, Valentino has become her verse of choice.

She also leans on Italian houses like Loro Piana and Brunello Cucinelli not for the labels, but for the quiet luxury they bring — the confidence of just the right detail.

Her wardrobe reflects someone who knows herself, loves to play with fashion, is not afraid of sweatpants and values a treasure.

ellee ven’s wardrobe screams harmony with contrast. Think of her like a walking Chanel patchwork bag: classic and distinct. Blending Bottega Veneta’s modern edge with Gucci’s wild side, McQueen’s drama, or Stella McCartney’s effortless practicality, her treasures are not just clothes, they’re instruments, amplifying her craft.

Much like her evolving catalog, her fashion is an extension of her creative process. Whether through music or style, ellee ven invites her audience to live with intention, embrace reinvention, and find beauty in the redirect.

Draw Life is available now on all streaming platforms. Crash Redirected arrives Tuesday, November 4, in partnership with The Groovalution.
