

Golden Hour Production LLC Expands Premium Videography Services Across New England

NEW YORK, NY, UNITED STATES, September 5, 2025 /EINPresswire.com/ -- [Golden Hour Production](#) LLC, a bespoke videography and photography company, announces expanded service offerings across Connecticut, Massachusetts, Rhode Island and New York, specializing in wedding cinematography, real estate film production, commercial content, and music video creation.

Golden Hour Production LLC

The Cromwell-based company distinguishes itself through a collaborative approach to visual storytelling, offering comprehensive production services that range from wedding films to luxury real estate showcases. Each project incorporates advanced filming techniques including 4K resolution, drone footage, and immersive 3D tours.

"Golden Hour Production doesn't just film; we curate your most meaningful moments into cinematic heirlooms that endure for generations," the company states.

Golden Hour Production serves diverse markets including engaged couples, real estate professionals, businesses seeking brand content, and music artists. The company's portfolio demonstrates expertise across multiple industries, with each production receiving individualized attention from initial consultation through final delivery.

Recent client testimonials highlight the company's impact. Jessica and David Gelin shared their experience: "Sakib did an amazing job with our wedding video. He was very professional, personal and captured all the intimate details... We are truly thankful for the memories."

The company's real estate services have proven particularly effective in the competitive New England market. One Connecticut real estate partner noted: "Our listing booked within days—thanks to the emotional power captured through their lens."

As part of its commitment to community impact, Golden Hour Production pledges 10% of earnings from every project to charity, enabling clients to contribute to causes beyond their own celebrations and milestones.

The company's [wedding cinematography services](#) focus on capturing authentic moments and emotions, creating films that preserve the essence of each couple's special day. For real estate clients, the company produces property showcases that combine aerial footage, architectural photography, and virtual staging to create compelling visual narratives.
