

Florida Treatment Center Announces Launch as One of the Most Innovative Outpatient Rehab Programs in the State

Florida Treatment Center in Tampa is one of newest rehab programs. They focus on long term recovery and are redefining what compassionate rehab looks like.

TAMPA, FL, UNITED STATES, September 5, 2025 /EINPresswire.com/ -- Picking the right therapist for drug addiction has been tough in Tampa until now. [Florida Treatment Center](#) is proud to announce its arrival as one of the newest and most forward-thinking outpatient therapy programs in the state. Designed to redefine recovery, the center combines evidence-based treatment with modern approaches to create a comprehensive and accessible path toward lasting sobriety.

"As one of the newest treatment providers in Tampa, we had the unique opportunity to build something different from the ground up," said Frank Bartle. "We designed a program that reflects the realities of today's challenges and meet clients where they are, both in life and in recovery."

Innovative Care Model

Florida Treatment Center focuses on outpatient rehab, offering flexible, personalized care that allows clients to continue working, studying, and living at home while receiving professional support. The program integrates:

Evidence-Based Therapies including CBT, DBT, and motivational interviewing.

Holistic Modalities such as mindfulness, fitness, and nutrition counseling.

Technology-Enhanced Care with telehealth options and digital progress tracking.

Family & Community Integration to build stronger support networks.

A Modern Approach to Recovery

Unlike traditional programs, Florida Treatment Center emphasizes innovation, accessibility, and compassion. With a team of highly trained therapists and specialists, the center tailors every treatment plan to the individual, recognizing that no two recovery journeys are the same.

"Our mission is to deliver recovery that fits today's lifestyle without the barriers," added Frank. "We're committed to helping people rebuild their lives with dignity and hope."
