

When Edmond Families Need Help: McCann's Roofing & Construction Expands to Protect More Homes After Storms

McCann's Roofing, Edmond's trusted roofer for 30 years, expands to OKC & Norman—450+ 5★ reviews, GAF Master Elite®, protecting families after storms.

EDMOND, OK, UNITED STATES, September 5, 2025 /EINPresswire.com/ -- In Edmond, storms don't just damage homes. Parents have to gather their kids in the hallway as tornado sirens go off, praying that their home will hold up from all the weather. The morning after, so many homeowners step outside to find shingles scattered all over the yard, sometimes it is water dripping from ceilings, or entire sections of the roof torn away.

For so many years, McCann's Roofing & Construction has been the local name Edmond homeowners call first. There are boots on the ground (sometimes) before sunrise and trucks rolling out and into storm-damaged neighborhoods. The team McCann's Roofing has built is dedicated to protecting homeowners. The reputation they are building is one of family first one roof, and one act of kindness at a time.

“

At the end of the day, it's not about being the biggest roofer — it's about being the one families know will show up, do the job right, and stand behind it.”

Shay Brown

Edmond continues to grow and is constantly facing strong storms, McCann's is strengthening their promise to protect the community. They are expanding services, adding new

offices in Oklahoma City and Norman, and continuing to raise the bar for roofing across all of Oklahoma.
