

Cal Dental USA Appoints Dr. Ki Lee as Lead Dentist to Drive LANAP and Digital Dentistry Expansion

Dr. Ki Lee named Lead Dentist at Cal Dental USA, bringing LANAP expertise, digital dentistry innovation, and multilingual patient care.

LOS ANGELES , CA, UNITED STATES, September 7, 2025 /EINPresswire.com/ -- [Cal Dental USA](https://www.cal-dental.com), one of Southern California's leading Dental Service Organizations (DSOs), proudly announces the appointment of Dr. Ki Lee as its new Lead Dentist, succeeding Dr. Sean Sunyoto. This transition underscores Cal Dental USA's ongoing commitment to innovation, advanced [digital dentistry](#), and delivering accessible, patient-focused care.

For more than a decade, Cal Dental USA has grown rapidly by combining in-house digital dental laboratories, community-driven care, and a mission to make dental services both affordable and high-quality. The appointment of Dr. Lee further solidifies its leadership position as one of the most dynamic DSOs in California and beyond.

“

I am honored to serve as Lead Dentist at Cal Dental USA and look forward to advancing patient care through LANAP and digital dentistry.”

Dr. Ki Lee

Dr. Ki Lee: A Proven Leader in Advanced Dentistry

With 19 years of experience in general and cosmetic dentistry, Dr. Ki Lee brings unparalleled expertise to his new role. Fluent in English, Spanish, and Korean, Dr. Lee reflects the diversity of the patients Cal Dental USA serves across its network of offices.

Dr. Lee's advanced training includes:

Cosmetic Dentistry – Instituto de Estudios en Odontología Avanzada, Monterey, Mexico

Oral Surgery & Periodontal Therapy – University of Cayetano Heredia, Lima, Peru

Implant Training – Hiosen, Seoul, Korea

Orthodontics in General Dentistry – California Academy of General Dentistry, Sacramento

Botox Therapy in Dentistry – California Academy of General Dentistry, Sacramento

LANAP® Certified Dentist

He is also a proud member of the American Dental Association.

Driving Innovation: LANAP and Digital Dentistry

Dr. Lee has already made a significant impact within Cal Dental USA by implementing [LANAP® \(Laser-Assisted New Attachment Procedure\)](#) across its offices. This minimally invasive therapy for gum disease highlights the organization's commitment to introducing advanced, patient-friendly treatments.

Additionally, Dr. Lee has spearheaded the adoption of digital dentistry techniques, streamlining workflows, reducing costs, and improving precision in crowns, implants, and restorative treatments. His leadership has positioned Cal Dental USA as a model for how DSOs can integrate technology to benefit patients.

Earlier this year, Dr. Lee engaged with the team during the Annual Glidewell DSO Meeting, where alongside Founder Dr. John Kim, Dr. Feng Liu, Dr. Michael Kennedy, Dr. Salaheddin Marashi, CEO James Jones, and Regional Manager David Linarte, he shared his vision that reinforced Cal Dental USA's commitment to innovation and patient-centered care.

A Seamless Transition in Leadership

Dr. Lee steps into the role previously held by Dr. Sean Sunyoto, who helped guide Cal Dental USA through its growth phase. This transition ensures continuity of care and reflects the organization's confidence in Dr. Lee's vision for the future.

"Dr. Lee is not just a skilled dentist—he's an innovator and a leader," said James Jones, CEO of Cal Dental USA. "From advancing LANAP therapy to leading our digital dentistry initiatives, he embodies the patient-centered, forward-thinking values that define Cal Dental USA. We are excited to see him guide us into this next chapter."

Looking Ahead: National Leadership and Future Engagement

As part of Cal Dental USA's vision for national growth, CEO James Jones, alongside Founder Dr.

John Kim, DDS, and Marketing Director Adrian McCovey, will represent the organization at the Annual Future of Dentistry Roundtable, September 29–30, 2025, at the Hyatt Regency in Chicago.

This premier industry event brings together the nation's top dental leaders to discuss the future of DSOs, innovation in digital dentistry, and strategies to make oral healthcare more accessible. Cal Dental USA's participation signals its rising influence and ongoing commitment to shaping the next era of dentistry.
