NEW ORLEANS, LA, UNITED STATES, September 7, 2025 /EINPresswire.com/ -- Brett Thomas, founder of [Rhino Web Studios](#) and [Jambalaya Marketing](#), has announced the launch of [NolaTimeMachines.com](#), a first-of-its-kind website that connects New Orleans watch enthusiasts with the city's most reputable jewelers and dealers.

A longtime watch collector himself, Thomas started the platform after countless hours of driving from jeweler to jeweler, watch dealer to watch dealer, and even scouring pawn shops—only to realize there had to be a better way.

“After years of navigating the luxury watch world, I saw one problem over and over again: buying a timepiece online can feel like a gamble. Photos can be misleading, descriptions can be vague, and unfortunately, counterfeits are everywhere. That's why I started Nola Time Machines — to give people a way to be absolutely certain that the watch they're buying is authentic.” said Thomas.

How It Works

At NolaTimeMachines.com, customers can:

- Browse curated listings from trusted New Orleans jewelers and luxury watch dealers.
- Request an inspection of any timepiece they're interested in.
- Book an in-person appointment with the dealer who has the watch in stock.

Think of it as multiple stores in one location—a single, convenient hub where buyers can explore the finest Rolex, Omega, Breitling, TAG Heuer, and other sought-after brands. Every piece is vetted for authenticity, giving customers peace of mind.

Trusted Partnerships

Unlike large anonymous online marketplaces, New Orleans Time Machines has partnered exclusively with reputable jewelers and luxury watch stores in the New Orleans area and beyond, ensuring buyers deal only with respected names in the industry.

About Nola Time Machines

NolaTimeMachines.com is the premier online destination for New Orleans' luxury watch community. Founded by Brett Thomas, a web entrepreneur and avid watch collector, the site bridges the gap between online browsing and in-person confidence, making it easier than ever to find and purchase authentic pre-owned timepieces.
