

From Camping to Home Backup, BLUETTI Brings New Energy Solutions to Canada – 5th Anniversary Power Week Kicks Off

TORONTO, ONTARIO, CANADA, September 8, 2025 /EINPresswire.com/ -- Global clean energy solutions provider BLUETTI today announced the launch of its [5th Anniversary Power Week](#), running from September 5 to September 25. The campaign offers Canadian consumers special deals on BLUETTI's most popular portable and home backup power stations—tailored to support both fall outdoor activities and winter storm preparedness.

As the season shifts, Canadians embrace camping, RV travel, and outdoor exploration, while also bracing for potential power outages caused by storms and early snowfalls. BLUETTI's portable power stations are designed to provide reliable electricity anytime, anywhere—powering devices and lighting during adventures and serving as dependable backups for essential home appliances such as refrigerators, heaters, and routers during emergencies.

Featured Products During Power Week

[BLUETTI Apex 300: 2,764.8Wh Capacity, Dual Voltage, 30A/50A Outlets](#)

With a 2,764.8Wh capacity, dual 120V/240V voltage, and 30A/50A outlets, the Apex 300 powers entire homes—from heating systems to sump pumps and power tools. Its 0ms UPS switchover ensures critical equipment like medical devices never lose power. Expandable up to 58kWh with additional batteries and solar-ready for full off-grid independence.

Sale Price: C\$1,999. Code Apex300PR saves an extra 10%.

[BLUETTI Apex 300 + BLUETTI B230 Battery Bundle: 5,529.6Wh Capacity](#)

Perfect for rural homes, cabins, or small businesses, this bundle expands total capacity to 5,529.6Wh, providing days of uninterrupted backup for refrigerators, multiple rooms, or heavy-duty tools.

Bundle Price: C\$3,498 (Save C\$2,500). Code Apex300PR saves an extra 10%.

[BLUETTI AC200P](#) – Ultra-portable at 9.48 lbs, equipped with safe LiFePO₄ batteries and fast charging. Ideal for short trips, picnics, or fishing.

Sale Price: C\$259 (Save C\$140) until Sept 25.

[BLUETTI AC200P](#) – With 2,048Wh capacity and 2,400W output, it runs multiple high-powered devices simultaneously, including heaters, fridges, and tools. A reliable choice for Canadian winters.

Sale Price: C\$1,499 (Save C\$800) until Sept 25.

[BLUETTI AC200P](#) [BLUETTI AC200P](#) – Combining 2,073.6Wh capacity with portability, it's built for RV trips, off-grid work, and outdoor gatherings. Multiple output ports allow users to run fridges, projectors, and drones all at once.

Sale Price: C\$1,399 (Save C\$1,100) until Sept 25.

Driving Energy Freedom in Canada

"Canada has a rich outdoor culture while also facing the challenge of power outages during long winters. With Power Week, BLUETTI is proud to deliver more green, safe, and quiet energy solutions to Canadian households and adventurers alike," said a BLUETTI spokesperson.

The BLUETTI 5th Anniversary Power Week promotion is now live, with exclusive offers available directly through the BLUETTI Canada official website
