## About FIND – Design Fair Asia

Known as Southeast Asia's premier trade show and design exhibition, FIND brings together over 250 international brands. The event attracts over 12,000 design professionals, architects, interior designers, and property developers from across the Asia-Pacific region. During the fair, visitors will be able to see the latest innovations in furniture, lighting, kitchenware, bathroom solutions, surfaces, and homeware, and make connections, establish business relationships, and explore the latest trends in the industry.

## About OPPOLIA Home

With decades of experience providing full [home furnishing solutions](#) (including kitchens, wardrobes, bathrooms, furniture, doors, and windows), OPPOLIA Home has established itself as a market leader in the Asia home decor market. Designed with Italian design principles and precision engineering, OPPOLIA's products achieve a flawless balance between aesthetic appeal and practical functionality. Over the past few years, OPPOLIA's premium home solutions have

won numerous awards from institutions such as A'design, MUSE, and IAI design, presenting outstanding performance in creativity and aesthetics.

This year, OPPOLIA will present the latest kitchen designs that aim to maximize functionality while maintaining an elegant aesthetic. The kitchen provides a wide range of innovative storage solutions, integrated appliances, and customizable layouts in order to accommodate various space constraints and culinary needs. Further, at the fair, OPPOLIA will also demonstrate its eco-friendly manufacturing processes and use of formaldehyde-free and antibacterial materials without sacrificing luxury.

#### Visit OPPOLIA and Talk to Professionals

With the release of the dealer program in 2025, during the event, you will be able to discuss market-specific strategies and partnership opportunities with OPPOLIA's business development managers. OPPOLIA offers dealers a comprehensive range of home furnishing products to expand their portfolio, advanced manufacturing systems with 1.4 million square metres of intelligent production space, and exclusive financial support for dealers' improvement. Additionally, as an experienced provider of custom cabinetry and furniture, the company will also arrange for a dedicated team available to discuss potential collaboration opportunities for upcoming residential and commercial projects in Singapore and Asia.
