“

Our world-class infrastructure and Ethiopian team support PSS and banks, highlighting the vital role of data centres in delivering secure, scalable financial services.”

*Tigest Damtie, General Manager, Ethiopia Sales at Wingu Africa*

PSS, a pioneering technology service provider working with several commercial banks in Ethiopia, partnered with Wingu Africa to host and deliver its critical financial services from Wingu's Tier III-certified data centre in Addis Ababa. The collaboration underscores the importance of reliable digital infrastructure in advancing Ethiopia's financial ecosystem.

“We are honoured to be recognised by Premier Switch Solutions,” said Tigest Damtie, General Manager, Ethiopia Sales at Wingu Africa. “This achievement reflects not only Wingu Africa's world-class infrastructure, but also the

commitment and expertise of our Ethiopian team. Supporting PSS and its partner banks demonstrates the vital role data centres play in enabling secure, reliable, and scalable financial services for the future of Ethiopia's digital economy."

Amha Tadesse CEO of Premier Switch Solutions S.C, added: "The success of this project was made possible through our strong collaboration with Wingu Africa. Their facilities and technical capabilities provided the resilience and confidence needed to deliver PSS services for Ethiopia's financial institutions, ensuring the highest levels of availability and trust."

Honoured by PSS, Wingu Africa credits the dedication and expertise of its Ethiopian team in enabling secure, reliable, and scalable digital infrastructure.

This milestone highlights Wingu Africa's position as a trusted partner for enterprises, governments, and financial institutions across the region. With state-of-the-art facilities in Djibouti, Ethiopia, and Tanzania, Wingu Africa continues to provide the digital foundation that powers connectivity, innovation, and growth in East Africa.
