

High-Tech High Heels To Host 11th Annual Friendraiser to Empower K-12 Girls in STEM

Dallas event on September 18th to Raise \$70,000 for Girls' STEM Education

DALLAS, TX, UNITED STATES, September 9, 2025 /EINPresswire.com/ -- The North Texas Chapter of High-Tech High Heels (HTHH) will host its [11th Annual Friendraiser](#) on Thursday, September 18, 2025, from 6:00 p.m. to 8:30 p.m. at Royal Oaks Country Club, located at 7915 Greenville Avenue, Dallas, TX. This annual event brings together supporters, partners, and community members for a fun evening including live and silent auctions. Proceeds will raise critical funds for STEM education programs that benefit K-12 girls and young women across North Texas.

High-Tech High Heels impact

"It's a chance to celebrate the impact we've made with our partner organizations like Girls Inc, and to hear directly from some of the young women whose lives have been changed thanks to the generosity of our donors," said Sarah Bradshaw, Friendraiser Co-Chair, HTHH North Texas.

“

Friendraiser is High-Tech High Heels North Texas' largest fundraising event of the year.”

Sarah Bradshaw, Friendraiser Co-Chair

2025 Fundraising Goals

This year's Friendraiser aims to raise \$70,000, which will contribute to HTHH's overall annual goal of \$260,000. A portion of these funds will support the expansion of original programs like [Oh Snap! Circuits](#), which introduces students to electrical engineering through safe, hands-on kits. To date, over 300 kits have been distributed to summer camps, after-school sessions, and in-school STEM

programs.

Impact to Date

Since its founding in 2001, High-Tech High Heels has granted \$2.3 million to nonprofit partner organizations in all of our communities, reaching more than fifty-six thousand young women and girls.

Partners and Sponsors

The 2025 Friendraiser is made possible thanks to generous corporate sponsors, including:

Presenting Sponsor: Texas Instruments

Silver Sponsors: Qorvo and Greenberg Traurig

Bronze Sponsor: AmazeCh

Supporting Sponsor: Lido

HTHH is also participating in the McDermott Challenge Grant, a \$50,000 matching grant that requires at least \$50,000 to be raised at this year's Friendraiser in order to unlock the full amount. All proceeds will benefit High-Tech High Heels programs dedicated to empowering girls in STEM. Donations can also be made during HTHH North Texas Giving Day on September 18, 2025.

About High-Tech High Heels

High-Tech High Heels is a 501(c)(3) nonprofit organization dedicated to closing the gender gap in STEM. By raising funds and supporting nonprofit and school-based programs, HTHH provides engaging STEM education and inspiring experiences for K–12 girls. The organization's goal is to ensure that every girl has the opportunity to pursue a STEM career, limited only by her talents, efforts, and aspirations.
