

Sunrider® International Launches New Kandesn® Lip Essentials

TORRANCE, CA, UNITED STATES, September 9, 2025 /EINPresswire.com/ -- [Sunrider](#) International proudly introduces Kandesn Sheer Glow Dew Balm and Kandesn Lip Dew Balm, two luxurious lip formulas designed to hydrate, nourish, and bring out natural beauty. These multi-tasking balms blend clean skincare with sheer color and luminous shine—for lips that look as good as they feel.

Kandesn Sheer Glow Dew Balm delivers a hint of buildable color in four flattering shades—Mulberry, Petal Peach, Grapefruit, and Spring Bloom—while Kandesn Lip Dew Balm provides a clear, glossy finish that drenches lips in hydration. Both balms are powered by a blend of hyaluronic acid, vitamin E, and botanical emollients that glide on effortlessly to replenish moisture, condition dry lips, and deliver a smoother, fuller appearance.

Formulated with antioxidant-rich ingredients like sunflower seed oil and tocopheryl acetate, plus essential fatty acids such as linoleic and linolenic acid, the dew balms help support the skin's natural moisture barrier and leave a soft, supple finish. Sodium hyaluronate—a form of hyaluronic acid—delivers deep hydration to visibly plump the lips and leave them feeling soft, smooth, and comfortably moisturized.

"The new Kandesn dew balms are a true fusion of color and care," said Sunny Beutler, CEO of [Sunrider International](#). "They're everyday essentials for anyone seeking soft color, weightless hydration, and a clean beauty experience—without compromise."

Both balms are plant-based, cruelty-free, and manufactured in the USA using high-performance ingredients and pure formulations.

Kandesn Sheer Glow Dew Balm enhances lips with a smooth tint and non-sticky texture, perfect for layering or wearing alone. Kandesn Lip Dew Balm adds a fresh, glossy finish and works

beautifully over any Kandesn Lip Color to boost shine and moisture.

Sunrider's dew balms are available through Sunrider Independent Business Owners (IBOs) or online retail at www.sunrider.com.
