

# A2J and AI.Law Announce Strategic Partnership to Power BriefCase with Advanced Legal AI

WEST PALM BEACH, FL, UNITED STATES, September 9, 2025 /EINPresswire.com/ -- [A2J](#), the company behind the [BriefCase](#) case management platform, today announced a strategic relationship with [AI.Law](#), a leader in litigation-focused AI tools. The integration brings AI.Law's advanced generative capabilities directly into BriefCase in an OEM integration, making its full suite of tools available natively inside the platform.

“

We looked at a dozen AI drafting platforms, but nothing compared to AI.Law”

With just a few clicks, BriefCase users can now generate high-quality pleadings, discovery, legal analysis, and more without leaving the BriefCase environment. The result is a single, seamless system that combines robust case management with best-in-class litigation drafting. While

other platforms experiment with basic AI chat or search tools, BriefCase users now benefit from deep, task-specific AI integration built for real legal work.

“Our mission at A2J is to equip law firms with the best technology to help them thrive,” said Mitra Hooman, CEO of A2J. “We looked at a dozen AI drafting platforms, but nothing compared to AI.Law in depth, detail, or drafting speed, especially for complex litigation.” She continued, “This gives clients a real competitive edge.”

## What the BriefCase + AI.Law Integration Delivers

**Document Drafting:** Create Am Law 100-level complaints, answers, discovery requests and responses in minutes.

**Analytics & Insights:** Extract insights from medical records and deposition transcripts—match legal elements to statements automatically.

**Workflow Continuity:** All AI.Law features are embedded directly into the BriefCase dashboard and file system for smooth adoption.

Secure Data Handling: AI.Law's SOC 2 Type II compliance ensures secure handling of sensitive case data.

Troy Doucet, President of AI.Law and a seasoned litigator, emphasized the importance of meeting lawyers where they work and the focus that A2J has on keeping its users steps ahead of their competition:

"This strategic relationship lets us inject real efficiency into a platform lawyers already love using every day. Integrating directly with BriefCase is a natural fit for our mission to support modern legal teams. We are proud to be part of their success."

#### Availability

The AI.Law integration is available now to all BriefCase users on a flexible subscription model.
