Don Jackson's bold new memoir invites readers leaving organized religion to rediscover God, authenticity, and spiritual freedom, offering a roadmap for healing.

LOS ANGELES, CA, UNITED STATES, September 9, 2025 /EINPresswire.com/ -- Prodigal: Leaving Church and Finding God, a courageous memoir by [Don Jackson](#), founder of The Prodigal Movement, is now available nationwide from Iff Books (John Hunt Publishing). Combining personal story with philosophical depth, Prodigal invites the growing number of people leaving organized religion to rediscover God and belonging on their own terms.

"Leaving the church didn't mean leaving God," said Jackson. "It meant learning to find God through honesty, compassion, and the courage to ask the hard questions."

Blending memoir, [spiritual deconstruction](#), and actionable practices, Jackson addresses religious trauma, institutional failures, and the liberated faith that can follow. As millions reassess their religious affiliation, Prodigal offers a crucial roadmap for healing, clarity, and living faith authentically.

"Jackson's raw honesty provides a lifeline for anyone navigating the turbulent waters of faith deconstruction," said an early reviewer. "This isn't just a story; it's a companion for the journey."
