The Big Takeover

Mixed by acclaimed producer Matt Dougherty (Megadeth, Disturbed), "Power Over You" showcases Hunsaker's soaring vocals and virtuosic guitar work. The track tells a cinematic tale of a sorceress returning from exile, featuring an international team of all-star musicians including Swedish drummer Mats Eriksson.

"I wanted to write a fantasy epic," says Hunsaker. "It's the story of a sorceress and her accomplice, bound together against a world that wants them destroyed. The song is a clash of magic, destiny, and the simple will to survive."

"Power Over You" is the latest single from Hunsaker's forthcoming 5-song EP, "Where Dreamers Fall," which was uniquely recorded inside his Ford Freestyle.
