

Ai Wonder Studios Premieres Delightful Droid & Teases Guardians of the Garden at Silicon Beach Film Festival

Special Screening at TCL Chinese Theatres, Wednesday, September 10, 2025, 4:00 p.m. Presented by Ai Wonder Studios, & Technotainment & BigBamboo Global Holdings

HOLLYWOOD, CA, UNITED STATES, September 9, 2025 /EINPresswire.com/ -- HOLLYWOOD, CA — August 28, 2025 — [Ai Wonder Studios](#), Technotainment and BigBamboo Global Holdings will light up the world-famous TCL Chinese Theatres with a special dual showcase at the Silicon Beach Film Festival.

Headlining the event is [Delightful Droid](#), the award-winning animated short that's captivated audiences around the globe—followed by the debut of the official trailer for the studio's NEXT project, [Guardians of the Garden](#).

As a pioneer of AI-native storytelling, Ai Wonder Studios is building the next wave of family entertainment. The studio's human-led, AI-enhanced pipeline accelerates worldbuilding—from concept art and previs to animation assist, adaptive music, and localization—letting creators iterate faster without sacrificing heart. With a growing slate of AI-powered shorts and series, Ai Wonder is shaping a responsible, audience-first model that blends cinematic quality with classroom-ready, interactive extensions.

Meet “Delightful Droid” — A Small Robot with a Big Heart

Celebrated for its uplifting message and stunning artistry, Delightful Droid follows a curious little robot on a heartfelt journey to discover connection, empathy, and belonging. Designed to spark conversations about how technology can amplify kindness and community, the film resonates with families, educators, and festival juries alike.

Based on a beloved children's story, the short has earned accolades for its universal theme: even the smallest spark of compassion can change the world.

Guardians of The Garden

NEXT from Ai Wonder Studios:

“Guardians of the Garden”

Riding the momentum of Delightful Droid, Ai Wonder Studios will unveil the official trailer for its NEXT franchise, Guardians of the Garden—a high-energy, family- friendly animated series that pairs laugh-out-loud moments with STEAM-friendly learning.

The show follows four extraordinary bees—Marabel, the compassionate leader; Buzzillion, the lightning-fast scout; Waggles, the dance-savvy navigator; and BeeWell, the caring nurse—on an epic mission to protect pollinators and restore balance to the natural world.

Each episode empowers kids to become real-world Guardians with simple take- home actions that make a big difference.

“Both projects reflect the kind of storytelling that doesn’t just entertain—it inspires,” said Andy Broadaway of Ai Wonder Studios. “To premiere Delightful Droid and tease Guardians of the Garden on the iconic TCL Chinese Theatres screen is truly special.”

“We believe stories like these shape culture and create a call to action,” added Stephen Meade of BigBamboo Global Holdings. “This screening underscores our mission to invest in creative works that spark imagination and purpose.”
