

Dangbei Extends IFA 2025 Momentum with Time-Limited Amazon UK Campaign, Sept 10–23, 2025

Following its showcase at IFA 2025, Dangbei spotlights a range of projectors—DBOX02, Atom, Freedo, N2 mini, and N2—in a limited-time Amazon UK event.

UNITED KINGDOM, September 10, 2025 /EINPresswire.com/ -- Dangbei, a global provider of smart home entertainment solutions, announced today that a time-limited campaign will run on its official Amazon UK store from September 10 to September 23, 2025. The campaign follows the company's participation in IFA 2025 in Berlin, where it presented its latest technologies to an international audience, and reflects its growing commitment to the UK market.

Spotlighting demand for flexible home entertainment
With UK consumers increasingly seeking versatile projection solutions for student housing, smaller flats, and family living rooms, Dangbei is presenting a curated lineup that combines portability with advanced performance.

Amazon UK: <https://www.amazon.co.uk/dp/B0D1G7JV8N>

Time-limited Amazon UK campaign (Sept 10–23, 2025)

From Sept 10 to Sept 23, these devices will be available on Amazon UK with limited-time offers, giving consumers a clear opportunity to explore multiple options across Dangbei's portfolio.

Strengthening UK presence

The UK campaign is part of Dangbei's wider international strategy to bridge global innovation with local accessibility. By connecting the global stage of IFA with targeted regional initiatives, the company aims to make advanced projector technology more available to households worldwide.
