A U.S. Army veteran of the 101st Airborne Division, Snavely has served the nation and his community as a military and government contractor, a professional in executive protection, a businessman, and a political consultant/operative. He also contributed to the training mission at the U.S. Army John F. Kennedy Special Warfare Center and School (Special Forces School), supporting America's premier special operations forces.

Snavely has held senior roles in Virginia politics, including serving as a Senior Advisor and Senior Legislative Aide for two state senators from January 2021 through December 2023. In 2022, he worked directly with Senator Bryce Reeves to help secure passage of Virginia's military benefits income tax subtraction bill—a landmark measure establishing phased tax relief for military retirement benefits and surviving spouses.

Snively was present at the Governor's bill signing ceremony in Quantico, VA, marking a historic step in supporting veterans and their families.

Veterans for America First (VFAF) is a grassroots America First organization founded in 2015 (originally as Veterans for Trump). It supports conservative veterans and veterans' issues through political engagement, community outreach, and advocacy. Vet Force is VFAF's recently launched national volunteer program, officially inaugurated in January 2025.

Modeled on the campaign-style "Trump Force 47," Vet Force mobilizes veterans, law enforcement, and

patriotic civilians into "boots-on-the-ground" volunteer teams. These teams engage in emergency relief, public safety advocacy, youth mentoring, voter education, disaster response, and support for MAGA-aligned campaigns. In Georgia, Vet Force is led by Devonta "Sully" Sullivan, a former police officer now serving as National Ambassador. Sullivan's team has
