

TIMOTHY D. REUBEN NAMED TO LAWDRAGON 500 LEADING LITIGATORS IN AMERICA

Veteran trial lawyer puts more than four decades of experience to work through Reuben Mediation

LOS ANGELES, CA, UNITED STATES, September 9, 2025 /EINPresswire.com/ -- [Timothy D. Reuben](#), Founder and President of litigation boutique [Reuben Raucher & Blum](#) and Founder of [Reuben Mediation](#), has been named to the 2026 Lawdragon 500 Leading Litigators in America. The annual guide honors the country's most accomplished trial lawyers and appellate advocates.

Reuben's recognition highlights more than 45 years of experience litigating and resolving complex disputes in business, real estate, employment, entertainment, and intellectual property. Over the course of his career, he has tried and argued cases in state and federal courts across California, including precedent-setting appeals, and has been consistently recognized for his judgment, advocacy, and leadership in the legal community.

This year Reuben launched Reuben Mediation, a dispute resolution practice dedicated to helping parties resolve conflicts efficiently and effectively. Drawing on his extensive background as a litigator, Reuben offers mediation and arbitration services that combine candid evaluation, trial-tested judgment, and practical problem solving. He has already assisted parties statewide in moving past gridlock and toward meaningful resolution.

"This recognition reflects the caliber of work our firm has delivered for decades and the trust our clients place in us," said Reuben. "Through Reuben Mediation, I'm able to put that experience to work for parties looking for a constructive and credible path to resolution."

Reuben has served as a mediator and settlement officer for the past two years and currently volunteers with the Los Angeles Superior Court's MVP program and ResolveLawLA initiative, as well as the Central District of California's Court Mediation Panel. He is a trained arbitrator and a sought-after neutral, known for his balanced approach and command of complex disputes. An accomplished author, Reuben's first wholly fictional novel, *Tequila*, is launching on October 14, 2025.
