

The Myositis Association Hosts MyoCon 2025: A Global Gathering for Myositis Patients and Experts

MyoCon celebrates 30 years of global connection, education, and empowerment for those with myositis—uniting voices, sharing hope, and driving progress.

COLUMBIA, MD, UNITED STATES,
September 9, 2025 /EINPresswire.com/
-- [The Myositis Association](#) (TMA)

proudly announces [MyoCon 2025](#), its 30th annual Global Myositis Patient Conference, taking place September 18–21 at the Sheraton Dallas Hotel in Dallas, Texas, US. This landmark event brings together hundreds of patients, care partners, clinicians, and researchers from around the world to share the latest in myositis science, treatment, and support.

TMA'S GLOBAL MYOSITIS PATIENT CONFERENCE

MyoCon: TMA's Global Myositis Patient Conference

“

As first-time attendees, everything was so valuable and encouraging. We made friends and shared contact info. We are now in a network filled with valuable information and encouragement.”

Jan Dokter, TMA member

This year's theme, Celebrating Our Worldwide Community, highlights the strength and resilience of those affected by myositis and the global collaboration driving progress in care and research. Culminating on [World Myositis Day](#) with a special celebration and a live broadcast of the closing keynote address, this event truly unites the myositis community from around the world.

Conference Highlights

- Educational Sessions & Workshops: Covering topics such as CAR-T clinical trials, lifestyle medicine, genetics and

myositis, lung involvement in myositis, aging research, and much more. A special excursion to CSI Pharmacy's corporate hub in Plano, Texas will also take place.

- Breakout Sessions by Diagnosis: Tailored content for those with idiopathic inflammatory myopathies such as dermatomyositis, immune mediated necrotizing myopathy, inclusion body myositis, antisynthetase syndrome, and more.
- Heroes in the Fight Awards Gala: Recognizing leadership, care, science, and advocacy in the myositis community. Honorees are Rhonda Rogers and Nancy Harber; Mayo Clinic; Dr. Victoria

Werth from the University of Pennsylvania; and TMA's 2025 Patient Ambassador Awardee, Tri Bourne.

- World Myositis Day: MyoCon 2025 concludes on World Myositis Day, September 21, with a celebration of community and awareness.

Sponsors

Keynote Speakers:

- Opening Keynote: The Power of Purpose by former Rep. Steve Bartlett, a principal co-author of the Americans with Disabilities Act when serving in the US House of Representatives.
- Closing Keynote: Dr. Julius Birnbaum, MD, MHS, author of Living Well with Autoimmune Diseases, will speak on World Myositis Day, September 21. This session will be broadcast live.
