

SOLV Holdings Appoints Jeremy Bowersock as President of Wagner-Meinert Engineering, LLC

Jeremy Bowersock, former VP of Corporate Development, was promoted to lead the company's next phase of growth.

FORT WAYNE, IN, UNITED STATES, September 11, 2025 /EINPresswire.com/ -- [SOLV Holdings](#)' CEO, Mike Butchko, today announced the appointment of Jeremy Bowersock as President of [Wagner-Meinert Engineering, LLC](#).

Bowersock has been a key part of WME for the past five years. Most recently, he served as Wagner's Vice President of Corporate Development, providing strategic vision and operational excellence. His experience, including leadership roles in organizational development, strategic planning, and business optimization, gives Bowersock unique insights into Wagner's operations, culture, and strategic direction.

"I am honored to assume the role of President of Wagner-Meinert Engineering, LLC, and grateful for the confidence placed in me. I am committed to leading through servant leadership—supporting and empowering our team to deliver the highest level of excellence to

“

I am committed to leading through servant leadership—supporting and empowering our team to deliver the highest level of excellence to our clients and partners.”

our clients and partners. Together, we will build upon Wagner-Meinert's strong foundation and continue positioning the company for long-term growth and success. I want to thank Mike Butchko, CEO of SOLV Holdings, for his trust and support throughout this process. His leadership and vision have been invaluable, and I look forward to continuing our work together to advance Wagner-Meinert's future,” says Bowersock.

“Jeremy's leadership emphasizes collaboration, innovation, and values-based decisions, aligning with SOLV's mission to

support innovative companies,” says Butchko. “Thoughtful succession planning is core to our strategy, and by identifying and developing internal talent, we’ve created a leadership pipeline that ensures continuity while introducing fresh perspectives. Jeremy’s appointment demonstrates the effectiveness of this approach in maintaining operational excellence during key transitions.”

The appointment is part of a planned leadership transition at Wagner-Meinert.
