

George Mentz Expands Global Leadership Portfolio with New Roles in Government, Academia, Law, & International Relations

George Mentz Expands Global Leadership Portfolio with New Roles in Government, Academia, Law, & International Relations

COLORADO SPRINGS, CO, CO, UNITED STATES, September 9, 2025

/EINPresswire.com/ -- International lawyer, law professor, economist, and author George S. Mentz, JD, MBA, CWM®, has been recognized globally for his expanding leadership across government, higher education, business, and international service. In 2025, Mentz assumed a wide range of new appointments, honors, and advisory roles that highlight his influence in law, economics, and international relations.

Mentz's career continues to bridge academia, international law, public service, and private enterprise not only in education but by boosting ethical and academic standards worldwide. His recognition as a global influencer and thought leader in management, finance, HR, wealth management, FinTech, leadership, and EdTech underscores his ability to connect diverse sectors while contributing to cultural preservation, environmental stewardship, and financial innovation.

Mentz Teaching

Mentz's roles as a government commissioner have included working with rules and laws to improve services of law enforcement, fire safety, and transportation safety. Mentz has helped produce vital strategy reports and reviews as a Commissioner for two government commissions this year, and voted to enhance laws that boost police and fire efficiency and effectiveness. Through Mentz's governmental commission service promoting rules, laws and advancing new strategy for government; hopefully, the airports, police and fire will continue to thrive successfully in the central USA state of Colorado. As a White House Commissioner, [George Mentz](#) was focused on recognizing top performers from the various states of the USA with distinctions from the President.
