Financial Services Entry Point

Poland offers a unique balance of scale, cost-efficiency, and legal certainty, making it the first-choice jurisdiction for foreign entrepreneurs seeking EU access."

Michał Dudkowiak

This guide serves as an introductory chapter to a series of practical guides by D&P for international firms entering the financial sector in Poland, including their most recent publication: [CASP \(MiCA\) License in Poland](#). This resource offers investors and service providers a clear pathway to navigate licensing and compliance under Poland's evolving financial regulations.

Legal Structures for Market Entry

D&P's guide explores the spectrum of company structures available in Poland, from the traditional limited liability

company (Sp. z o.o.) to the modern simple joint stock company (P.S.A.), designed for startups and tech ventures. It also reviews the use of branches and representative offices as alternatives for foreign market entry.

Strategic Hub for EU Expansion

The article positions Poland as a regional gateway for EU investment, citing market size (38 million consumers), a skilled workforce of 15 million, and a stable GDP growth outlook of 3.5%

for 2025.

With a balance of scale, cost-efficiency, and legal certainty, Poland is presented as a first-choice jurisdiction for foreign entrepreneurs seeking EU access.
