ASAKUSA, TAITO-KU, TOKYO, JAPAN,
September 12, 2025 /
EINPresswire.com/ -- Prime 1 Studio is pleased to announce the opening of pre-orders for our latest release from the "Rebuild of Evangelion" film series: Kaworu Nagisa in the Ultimate Premium Masterline.

The statue depicts Kaworu Nagisa, a character who shares a deep connection with the protagonist, Shinji Ikari, presented here in 1/4 scale. The figure captures his seated pose with a calm expression, reflecting the character's gentle presence. The design balances stylized elements with realistic sculpting.

Details include finely crafted strands of ash-gray hair with subtle shading, and skin finished with a matte texture to emphasize its pale tone. The "13" plugsuit is carefully reproduced with gradations of purple and navy.

The base incorporates motifs inspired by the Twelfth Angel, expressed through abstract forms that evoke wings, a resonant waveform, and a circular structure.

This Bonus Version additionally provides an alternate head sculpt with a faint smile.
