

# CyberproAI Announces Collaboration with Missouri Cybersecurity Center of Excellence (MCCoE)

*Bringing the Cympire's Cyber Range to Springfield, Missouri*

SPRINGFIELD, MO, UNITED STATES, September 10, 2025 /

EINPresswire.com/ -- [CyberproAI](#) is proud to announce a new

collaboration with the Missouri Cybersecurity Center of Excellence ([MCCoE](#)), a nonprofit based in Springfield dedicated to building and sustaining a resilient cybersecurity workforce in Southwest Missouri.

Through this partnership, MCCoE will deploy [Cympire](#), CyberproAI's cloud-native Cyber Range platform, to deliver hands-on, immersive cybersecurity training.

Students Engaged in a Cympire CTF event in NYC

“

...By adopting Cympire, by CyberproAI, we are providing learners and partners across Missouri with a powerful, real-world training platform that directly addresses today's cybersecurity challenges.”

*Jonathan Dewein, Executive Director at MCCoE*

With the integration of Cympire, MCCoE will expand its impact by providing:

- Immersive training environments — Dynamic, gamified simulations replicating real-world cyber threats, enabling learners to build confidence and technical expertise.
- Hands-on workforce readiness — Scenario-based training that bridges classroom instruction with practical, job-ready skills for students, apprentices, and early-career professionals.
- Scenarios Catalog — A broad library of challenges across Blue Team defense, Red Team activities, and mixed-team scenarios, allowing participants to train

in realistic, mission-driven exercises tailored to multiple skill levels and operational needs.

“At CyberproAI, we are driven by our mission to empower the next generation of cybersecurity professionals with practical, job-ready skills,” said Oron Mincha, GM North America at CyberproAI. “Our collaboration with MCCoE brings Cypire’s world-class Cyber Range technology to Springfield, where it will strengthen both workforce development and community cyber resilience.”

“We are excited to partner with CyberproAI,” added Jonathan Dewein, Executive Director at MCCoE. “By adopting Cypire, we are providing learners and partners across Missouri with a powerful, real-world training platform that directly addresses today’s cybersecurity challenges.”

Together, CyberproAI and MCCoE are shaping a stronger, more resilient cybersecurity future for Missouri and beyond.

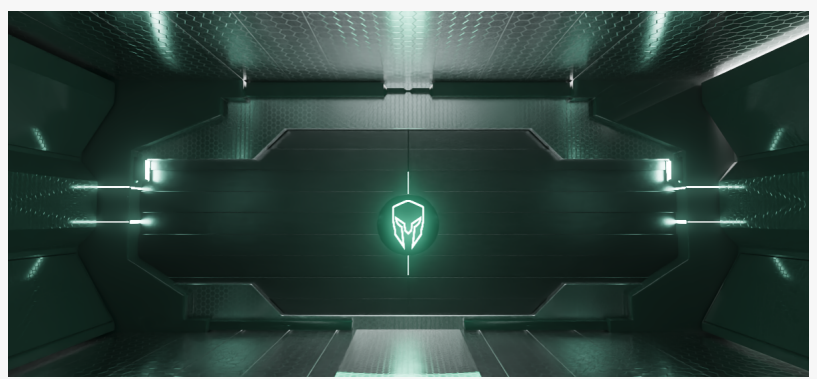

----

#### About MCCoE

Founded as a 501(c)(3) nonprofit in Springfield, the Missouri Cybersecurity Center of Excellence is dedicated to strengthening the state’s cybersecurity workforce. With a Department of Labor–certified apprenticeship program, a fully operational SOC, and a wide range of services for businesses and government agencies, MCCoE delivers mission-driven impact across education, training, and operations.
