*YAAZ evokes the atmosphere of the desert with the FESS Gazebo*

MILAN, ITALY, September 10, 2025 /EINPresswire.com/ -- The lifestyle brand dedicated to transform living spaces to improve people's lives, present the FESS [Gazebo](#) designed by AngelettiRuzza [Design](#) as an expression of a new concept of a convivial space.

Inspired by the shape of a weeping willow, [YAAZ](#)'s circular FESS Gazebo reinterprets the richly decorated ancient berceau on stage a warm, exotic and harmonious atmosphere.

YAAZ FESS Gazebo

Its aluminium structure makes it suitable for private homes and public spaces, transforming it into a shelter during the hottest hours or for an outdoor dinner, lulled by the wind that moves its perimeter made of braided rope and fabric.

A tactile and poetic expression that evokes the magic of the desert.
