Known for its caring, supportive and educated team, Montessori Visions Academy has earned a strong reputation within the Las Vegas community, with glowing reviews from many happy families. Below are just a few of the many positive testimonials from families who were highly impressed by Montessori Visions Academy's communication and teaching:

"We are new to Las Vegas and knew that we wanted to put our son in a Montessori School. After finding you online we decided to come in to visit. Our son is 14 and has been struggling with fitting into the box of standard schooling for the last few years and he had started to become down and frustrated with everything. He is an artist and that started reflecting in his drawings as well.

After the visit he was still unsure but we knew this was the right school for him. After the first 2 weeks we started noticing changes at home. He became happier and this reflected not only in his demeanor but also in his artwork. When we got his school pictures back HE WAS SMILING!! He hasn't smiled in a school picture for at least 3 years. Watching him become more comfortable with himself and who he is since we started has been an amazing experience. Thank you to all of you that he comes into contact with on a daily basis. Thank you for letting him know you care about him and who he is, that you care about how he is learning and progressing and that you are there for him and for us. We have found a community within this school and we are very grateful to each of you!!"

"My daughters have been attending Montessori Visions Academy since they were 3 and 4 months old. The teachers and staff are superb. I have always felt that my children were receiving the best of care. As a working mom, it's comforting to know that my children love school and their teachers. My daughters have learned so much at school and at home. Highly recommend!!"

"My granddaughter goes there and it's one of the most wonderful educational institutions in the city! And if we have any say so she will go there until she graduates high school!!"

"I highly recommend Montessori Visions Academy. We enrolled our son in March, 2018 and we couldn't be happier with how well he has adapted to his new environment and how much he has grown during his time there. The facility is very clean and up-to-date. The administrator, Ms. Clark, is warm and welcoming. The teachers are all very friendly and always have our child's best interest in mind. A special mention goes out to our son's teachers, Ms. Jaramillo and Ms. Barber, for their enthusiasm and dedication; we've never had a hard time leaving him because my son enjoys being at school. The Director, Ms. Bossy is amazing, always available and committed to every child at her school. Thank you everyone at Montessori Visions Academy for your hard work!"

The Montessori Visions Academy team consistently goes above and beyond to ensure an

outstanding learning environment for every student.
