

King Street Technology Partners Awarded \$63.5 Million VA Enterprise Mobility Management (EMM) Contract Recompete

Five-year award continues long-standing support of VA's enterprise mobile device environment.

WASHINGTON, DC, UNITED STATES, September 10, 2025 /EINPresswire.com/ -- [King Street Technology Partners, LLC \(KSTP\)](#), a joint venture between [Eleven09, LLC](#) and [SBG Technology Solutions](#), a DSS, Inc. subsidiary, has been awarded the Enterprise Mobility Management (EMM) recompetite contract with the Department of Veterans Affairs (VA). The five-year award is valued at \$63,515,425.52.

“We are honored to continue this partnership with VA OIT and VHA, delivering secure, innovative technology solutions that enhance mobile capabilities and improve Veteran care.”

Lewis Runnion, Managing Partner at Eleven09, LLC.

Since 2018, KSTP has supported VA's EMM program, helping it expand from 60,000 Apple devices to today's enterprise environment of more than 150,000 mobile devices across Apple, Android, MacOS, and specialized platforms. This work includes mobile device management, cybersecurity, Risk Management Framework (RMF) compliance, and innovative pilots such as Bring Your Own Device (BYOD).

“We are honored to continue this partnership with VA OIT and VHA, delivering secure, innovative technology solutions that enhance mobile capabilities, improve Veteran care, and strengthen VA's mission,” said Lewis Runnion, Managing Partner at Eleven09, LLC.

Formed by Eleven09 and SBG Technology Solutions, KSTP provides comprehensive and mature IT and engineering professional services through small business set-aside acquisitions. Its core competencies include Scaled Agile Framework (SAFe®)-based program and portfolio management and large-scale commercial off-the-shelf (COTS) cloud integrations.

This latest award builds on a strong history of collaboration with VA. Last year, KSTP was selected by the VA Office of Information and Technology (OIT) to assist the Software Product Management (SPM) Product Operations and Reporting Support.
