

New Addition to Captains Preferred Products Keeps Boat Brush Heads Dry, Secure, and Ready for the Next Washdown

Adhesive-mounted organizer reduces clutter; initial availability at Captains Preferred Products' online store

JACKSONVILLE, FL, UNITED STATES, September 16, 2025 / EINPresswire.com/ -- Captains Preferred Products today introduced the [TidyBoat Brush Head Organizer](#), a simple, adhesive-mounted storage accessory that keeps boat brush heads off the deck and protected in storage. Designed for boat and yacht owners, the Organizer helps gear dry fully, prevents damage, and frees up space in tight lockers and gunnels.

Loose brush heads can roll, trap moisture, or get crushed in transit. The TidyBoat Brush Head Organizer solves that by securing heads to smooth interior or exterior surfaces with heavy-duty 3M adhesive—no drilling required. Boat owners can install it in minutes to keep decks cleaner and tools ready for the next washdown or detail.

Why it matters

Keeping gear organized isn't just about tidiness; it protects the tools that protect your finish. By elevating brush heads for proper drying and preventing them from rolling around, owners extend product life and reduce clutter—especially on boats where every inch counts.

Key features

Peel-and-stick install: Heavy-duty 3M adhesive mounts to fiberglass, gelcoat, and other smooth surfaces—no drilling or tools.

Installation of multiple TidyBoat brush head organizers. No drilling needed.

Protects your investment: Elevates brush heads for full drying and prevents crushing or premature wear.
Space-saving design: Clears deck clutter and keeps lockers and lazarettes organized.
Marine-ready build: Made to withstand moisture, salt, and daily use.
Broad compatibility: Fits all Captains Preferred Products brush heads and other universal spring-pressure pin connect brush heads; also fits the brand's shammy mop head.

Specs

Mounting: 3M adhesive (no drilling) — smooth, clean surfaces recommended.

Compatibility: Captains Preferred brush heads; universal spring-pressure pin connect; shammy mop head; most standard brush/mop accessories using the same attachment style.

Materials/Color/Dimensions/Weight: 3x5 ¼x 6 ⅞ LxWxH. The colors are grey with a very light grey top. It is made out of plastic with a 3M backing. 7oz

“

Keep you boat clutter-free and your brush heads organized with our easy to install TidyBoat Brush Head Organizer”

Nick Heisler, Owner, Captains Preferred Products
