

NPF Invites Fort Worth to Take ACTION for Psoriatic Disease

FORT WORTH, TX, UNITED STATES, September 16, 2025 /EINPresswire.com/ -- Each year, the National Psoriasis Foundation (NPF) invites individuals impacted by psoriasis and psoriatic arthritis to join [Take ACTION for Psoriatic Disease](#) — a nationwide movement to connect, celebrate, and raise critical funds to fuel efforts to find a cure and improve the lives of those affected.

This year's Fort Worth event will be held at Sundance Square Pavilion on Saturday, October 18, 2025. Anyone living with psoriatic disease — or supporting a loved one who does — is encouraged to attend.

Dr. Patrick Keehan, the local Take ACTION Ambassador, will speak about his personal journey with psoriasis during the event.

"Being a psoriasis patient and now a dermatologist that is treating it, I am a strong believer in helping my patients live their best lives.," said Dr. Keehan.

Take ACTION for Psoriatic Disease is a national campaign designed to educate, advocate, motivate, and celebrate the more than 8 million people in the U.S. who live with psoriatic disease.

"All across the country, communities are coming together to honor and recognize the incredible progress made possible by NPF donors and fundraisers," said Leah M. Howard, J.D., President and CEO of the National Psoriasis Foundation. "This community deserves to be celebrated, and Take ACTION is the absolute best way to do that."

The Fort Worth event will be a fun and meaningful community gathering for the entire NPF family. Attendees will enjoy an inspiring program, psoriatic disease education, and entertainment for all ages.

"I hope to see you on Saturday, October 18, 2025 at Sundance Square Pavilion," said Carol Osterhaus, NPF's senior regional development manager. "We have a great morning planned, and everyone is welcome."
