EINPresswire.com/ -- In the latest episode of [Giving With Gopin](#), personal injury attorney Michael J. Gopin meets with Sandra and Sal, the founders of Project Always Beside You, an organization inspired by their son, Staff Sergeant Christopher Diaz, who passed away in 2011 while serving his country.

Through their nonprofit, Sandra and Sal carry on Christopher's legacy by supporting veterans with the help of service dogs like Sherpa. Their work includes covering food, medical care, and other expenses for service dogs, as well as matching them with veterans who need the support and companionship, particularly those living with PTSD or facing loneliness.

“

Sandra and Sal have taken their own heartbreak and turned it into something that helps veterans heal. Their dedication is remarkable, and I'm honored to support their mission.”
