magazine, the prestigious British publication renowned for showcasing bestselling and award-winning authors. The in-depth interview offers a heartfelt glimpse into Roberto's imaginative world, celebrating her powerful storytelling, enduring characters, and unwavering commitment to helping young readers navigate life's complexities through compassion and creativity.

The magazine, which also praised Roberto and her latest titles with a glowing review, highlighted her unique ability to “see the world through a child's eyes while speaking to the deepest corners of the human heart.” Her books — including the deeply touching [Grandma Forgets: But I Remember](#) and the beloved Jack the Bear series — have become cherished favourites for families seeking stories that blend wonder, emotional truth, and gentle wisdom.

In the feature, Roberto opens up about the roots of her creativity, inspired by a childhood immersed in her parents' toymaking world. “Growing up, I was taught to think creatively or ‘out of the box,’” she recalls. “It made it easy to see possibilities in everything I did.” These early experiences shaped not only her storytelling voice but also the rich inner lives of characters like Jack, Scarlet, George, and Oliver — each crafted with empathy, humour, and heartfelt understanding.

Reflecting on *Grandma Forgets*, Roberto shares: “I wanted this story to ease the way for children to understand that memory loss doesn't mean that love is lost.” Her books blend serious themes with magic and hope, helping young readers confront challenges with courage. “Learning to find the fun in situations can ease the pain,” she says.

In *Saving Oliver: The Elephant Who Went to Sea*, Roberto channels childhood grief into a message of resilience. “Even when the worst happens, I wanted kids to understand that they can

be happy again."

Reader responses speak to the emotional reach of her work. "Peanut's 5th birthday was last night and she got a ton of gifts, but all she wanted to do was to crawl in her great grandma's lap and read the Jack books — and Oliver is her favourite story!"

The feature article affirms Lynne Roberto's place among the finest children's authors writing today, capturing hearts across generations with tales that comfort, inspire, and endure.
