ASAKUSA, TAITO-KU, TOKYO, JAPAN,
September 13, 2025 /
EINPresswire.com/ -- Prime 1 Studio is pleased to announce the opening of pre-orders for our latest release from the manga "Berserk": "Guts, Berserker Armor" and "Grunbeld," as part of the Ultimate Premium Masterline.

Guts donning the Berserker Armor for the first time, and Grunbeld of the reborn Band of the Falcon, brimming with anticipation before a formidable opponent. This paired release is based on the battle in the Forest of the Spirit Tree, depicted in volumes 26 and 27 of the manga "Berserk." Each statue stands as a complete work on its own, yet when displayed together, they are designed to emphasize narrative connection and compositional balance.

In addition, the Deluxe Bonus Version of Guts includes his earliest skull-shaped helmet, while the Bonus Version of Grunbeld comes with an alternate head part showing his unmasked face.
