“Our goal is simple. We help businesses create a strong online presence that drives real results,” said Jason Kimes, Founder and CEO of Team Kimes Design. “From websites to social media to SEO, we take care of the marketing so business owners can focus on what they do best.”

## Complete Marketing Solutions

Team Kimes Design offers a wide range of services to give businesses everything they need to grow:

Website Design and Development – Modern, mobile-friendly websites built to turn visitors into customers.

Search Engine Optimization (SEO) – Local and national SEO strategies to improve search rankings and visibility on Google.

Social Media Marketing – Custom strategies, content creation, and targeted ads on Facebook, Instagram, TikTok, and more.

Branding and Logo Design – Clean, bold designs that tell a company's story and build trust with customers.

Reputation Management – Tools to collect reviews, monitor online mentions, and strengthen a brand's reputation.

Print and Graphic Design – Professional print materials including brochures, business cards, flyers, and packaging.

Helping Businesses Rank Higher in Search

As Google and other search engines continue to evolve, SEO has become more important than ever. Team Kimes Design stays ahead of the changes by helping businesses show up in Google's Local 3-Pack and AI-driven search results.

Their SEO services focus on:

Optimizing websites with meta descriptions, alt-tags, and keyword-rich content

Adding schema markup to support AI search results

Performing detailed competitor research

Creating location-based marketing strategies for Menifee and the Inland Empire

Tracking analytics to measure performance and growth

"Many small businesses find it overwhelming to keep up with the constant changes in digital marketing," said Kimes. "We make it simple by focusing on strategies that actually work and help our clients grow."
