

Smiles & Syringes NYC: Celebrity Doctors Host Botox, Veneers & Beauty Glow-Up Event in Brooklyn

Celebrity dentist Dr. Catrise Austin & Celebrity injector Dr. Nicole Bell host Smiles & Syringes Sept 24 in Brooklyn—Botox, veneers & beauty Q&A.

BROOKLYN, NY, UNITED STATES,
September 11, 2025 /

EINPresswire.com/ -- This one-night-only event merges the worlds of aesthetic medicine, dentistry, and beauty — offering Botox, dermal fillers, facials, veneers, whitening, makeup tutorials, and more under one roof. Guests will enjoy exclusive event pricing, complimentary refreshments, and a rare chance to learn directly from two celebrity experts during a live informational session and Q&A.

Celebrity Doctors Dr. Catrise Austin and Dr. Nicole Bell announce Smiles & Syringes NYC, a one-night Botox, veneers, and beauty event in Brooklyn on Sept. 24, 2025.

According to the American Society of Plastic Surgeons, Botox remains the #1 minimally invasive cosmetic procedure with over 4.4 million treatments annually in the U.S. Meanwhile, demand for veneers has surged as patients look for instant, Hollywood-style transformations in just two to four weeks. Smiles & Syringes brings these trends together in one red-carpet-inspired night.

“

Smiles & Syringes isn't just about beauty — it's about giving New Yorkers safe, affordable access to treatments with clarity, confidence, and care.”

Dr. Catrise Austin

“We want to empower people with education and safe access to treatments that boost confidence,” says Dr. Austin. “Too often, patients feel confused about their

options or turn to unsafe providers. This event is about transparency, empowerment, and transformation.”

What Guests Will Experience

Guests will have access to Botox specials starting at \$10 per unit, dermal filler consultations with a complimentary lip filler giveaway, and mini RF laser facials starting at just \$55. Other options include a lip booster, under-eye refresher, cavitation slimming, and even weight-loss shots. Attendees can also enjoy makeup tutorials and mini makeovers by a celebrity makeup artist, free veneer consultations to determine candidacy, clear aligner consultations to discover treatment timelines, and tooth color analysis with expert whitening recommendations.

In addition, guests will be able to shop VIP Smiles' line of home whitening products, including tray kits, charcoal powder, and electric toothbrushes, all priced under \$50. Every attendee will receive a signed copy of Dr. Austin's book *How to Get Whiter Teeth Fast*, plus luxury swag bag giveaways and complimentary refreshments sponsored by Neer Veneers.

"Patients often think injectables make you look frozen, or veneers are only for celebrities. That's a myth," says Dr. Bell. "When done by experts, these treatments are subtle, safe, and life-changing."

Why This Event Is Different

Unlike casual "Botox parties" at medspas or risky online veneer scams, Smiles & Syringes emphasizes safety, expertise, and education. Attendees can expect affordable, event-only pricing; a live Q&A with trusted experts; treatments performed by licensed, credentialed doctors; and customized solutions instead of one-size-fits-all approaches.

VIP Access & Tickets

The VIP Glow Pass (\$49) includes entry, giveaways, exclusive discounts, priority Botox pricing, veneer specials, and a photo opportunity with both celebrity doctors. Space is limited, and once passes are gone, they're gone. Tickets are available at [Eventbrite](#).
