

Florida's Most Unique Halloween Experience Returns: BK Adventure's Haunted Bioluminescence Kayak Tour 2025

This Halloween season, step beyond haunted houses and ghost walks into something truly extraordinary.

COCOA BEACH, FL, UNITED STATES, September 18, 2025 /EINPresswire.com/ -- Florida's Space Coast is bringing back one of its most unusual and thrilling holiday traditions: the [Haunted Bioluminescence Kayak Experience](#). Offered exclusively by [BK Adventure](#), these tours transform the glowing waterways near Cocoa Beach into a stage for ghostly folklore and natural wonder.

This year's tours run on October 24–25 and October 31–November 1, giving travelers and locals alike the chance to paddle through glowing blue waters while listening to chilling tales of haunted lighthouses, shipwreck legends, and mysterious coastlines.

A Rare Combination of Nature and Halloween
While haunted houses and ghost walks abound in Florida, BK Adventure's tour blends the supernatural with a natural wonder rarely seen elsewhere in the world. Guests glide in clear kayaks across the Indian River Lagoon as bioluminescent dinoflagellates light up each paddle stroke and translucent comb jellies glow like lanterns in the palm of your hand.

Family-Friendly Thrills

The Haunted Bioluminescence Kayak Tour is designed for ages 5 and up. The ghost stories are atmospheric but not overly frightening, making the event ideal for families, couples, and adventurous travelers looking for things to do near Orlando, Cocoa Beach, and the Florida Space Coast.

What: Haunted Bioluminescence Kayak Experience

When: October 24–25 & October 31–November 1, 2025

Launching a Haunted Bioluminescence Tour near Cocoa Beach, Florida

Where: Kiwanis Island Park, near Cocoa Beach
