LOS ANGELES, CA, UNITED STATES, September 12, 2025 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, has just released

“

ETHER'S PARADISE is about a woman's search for the past. Actress Erica Everett does a fantastic job navigating the weight of her character's trauma against the gorgeous backdrop of Thailand.”

Filmmaker Martin Barshai

the romantic drama feature ETHER'S PARADISE, now available to rent/own worldwide on digital HD internet, cable, and satellite platforms, as well as on DVD, starting September 12, 2025.

ETHER'S PARADISE tells the story of how a romantic bond between an American girl and a young Thai boy is threatened by greed, power, and lust. When teenage Sydney vacations in Thailand, her trip takes a dark turn when she witnesses her father in a disturbing interaction. Horrified, she flees and finds refuge in Ether, a local who works on the water. A romance blossoms between the two

in a hidden oasis untouched from the outside world: Ether's Paradise — a breathtaking secret filled with turquoise waterfalls and lush jungle greens. But paradise was never meant to last. Soon enough, the young lovers are torn apart by their families, and Sydney is forced to return to her life without Ether. Ten years later Sydney returns to Thailand, now a grown woman on a business trip with her father. His business plans to develop a skyscraper over an old, abandoned building in the metropolis of Bangkok. While approaching the city, memories of Ether flood in. Sydney's return to Thailand becomes a search for the place and person she once lost - Ether's Paradise.

Written and directed by Martin Barshai -- screenwriter on Amazon Prime Original #1 hit in Asia, CONGRATS MY EX! -- ETHER'S PARADISE was produced by Martin Barshai, Rachvin Narula, and Kulthep Narula. The featured cast includes WHITE LOTUS actor Joseph Angelo ('Ether Surathiwas'), Erica Everett ('Sydney Aria'), and RAISED BY WOLVES actor Adam Neill ('Russell Aria').

“Have you ever longed for a place you can never go back to? Not only a literal place, but a person, a memory, or a time,” asks filmmaker Martin Barshai. “ETHER'S PARADISE is about a

woman's search for the past. Our lead actress, Erica Everett, does a fantastic job at navigating the weight of her character's trauma against the gorgeous backdrop of Thailand."

Freestyle Digital Media negotiated the deal to acquire ETHER'S PARADISE directly with the filmmakers.
