

# CMS Fitness Courses Achieves Top CIMSPA Rating – 89% Success for Advanced Learner Loan Funded Level 3 Personal Trainer Courses

---

Leeds, United Kingdom — CMS Fitness Courses has proudly achieved the highest outcome of Enhancing across every category in its recent CIMSPA Education Partner Maintenance Quality Assurance Review, confirming its position as a trusted national leader in delivering online personal trainer qualifications .

Alongside this recognition, CMS Fitness Courses reported that learners completing their Level 3 Personal Trainer course funded with an Advanced Learner Loan achieved an outstanding 89% success rate in 2024/25, far exceeding sector averages.

Learner-focused benefits

The CIMSPA audit highlighted not just quality assurance, but real learner benefits:

Employer collaboration — courses designed with industry input to ensure graduates are job-ready.

Clear career progression — structured routes for those who want to continue their studies or advance in the fitness sector.

Inclusive support — tailored adjustments and varied teaching methods to suit every learner.

Expert tutors — with continuous professional development to provide the latest industry insights.

Quick certification turnaround — ensuring learners can qualify and start working as personal trainers without delay.

Accurate marketing — reassurance that learners can trust CMS's course information and outcomes.

Hadyn Luke, Director at CMS Fitness Courses, said:

“Achieving the top Enhancing outcome is a huge endorsement of the quality we deliver. More importantly, our 89% success rate for learners funded with Advanced Learner Loans shows the real impact of our flexible, high-quality courses. We're helping people change careers, upskill, and become personal trainers with confidence.”
