Timeless Wisdom Press announce that
Award-winning author, speaker and
transformational coach Tony Jeton
Selimi's latest masterpiece, *Climb*

Greater Heights: How to Accelerate Your Business Growth, Amplify Your Success, and Build a Legacy of Significance has garnered new editorial praise and multiple international accolades, cementing its status as a go-to leadership and business accelerator roadmap for entrepreneurs, executives, and creators.

“

What distinguishes this work is its insistence that success cannot be measured solely in financial terms but also by the legacy and contribution one leaves behind.”

"With over 582 million entrepreneurs worldwide and 137,000 startups launched daily, yet a staggering 90% failing within ten years, Climb Greater Heights emerges as a beacon for visionary leaders seeking not just survival, but legacy-driven success in a world where only 1 in 10 businesses endure. This book was built to be used—a practical operating system for business owners and decision-makers who want more than inspiration," said [Tony J. Selimi](#), award-winning author of several bestsellers, transformational life strategist specialised in human behaviour, TEDx speaker, and filmmaker. "I'm grateful to global reviewers and readers who are using the

frameworks to drive measurable growth, business resilience, and purpose-led leadership and impactful missions."

About the Book

Blending science, strategy, and the psychology of peak performance, *Climb Greater Heights* codifies Selimi's field-tested methodologies—such as the 12-Step Growth Accelerator Method—helping readers overcome business plateaus, sharpen focus, scale

authentic influence, and architect legacy-driven outcomes. The book integrates mindset, business mechanics, and values-aligned leadership, strategy, and a step-by-step business growth plan into a single, executable playbook.

About the Author

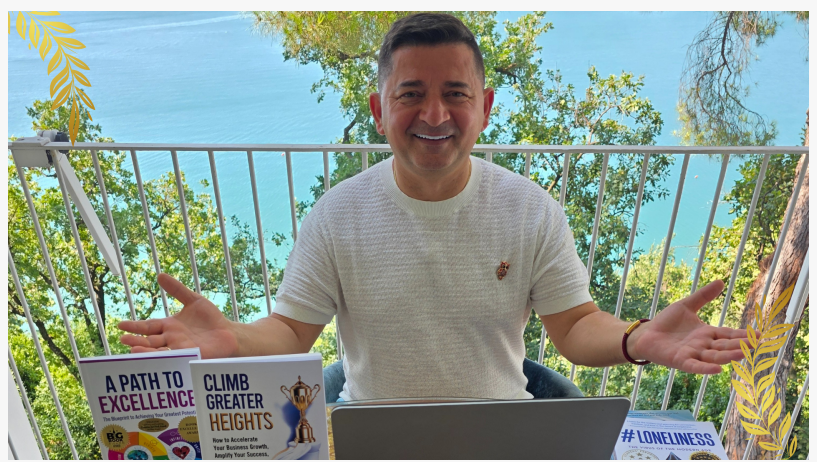

Tony J. Selimi is a multi-award-winning author and global authority on human behaviour, leadership, and AI-enabled transformation. With just over 28,000 hours of coaching and training, he helps CEOs, entrepreneurs, and organisations convert complex challenges into catalysts for breakthrough performance—scaling seven- to nine-figure, impact-led growth. A former telecoms engineer turned transformational coach and AI thought leader, Tony fuses engineering rigour, neuroscience, and emotional intelligence with the art of leadership to deliver measurable results and legacy-driven success. A TEDx speaker and featured expert in the multi-award-winning documentary *Living My Illusion*, he is also the executive producer of *The Truth About Reading* and the author of international bestsellers including *A Path to Wisdom*, *#Loneliness*, *The Unfakeable Code*®, *A Path to Excellence*, and *Climb Greater Heights*. His work has been featured on ABC, NBC, CBS, and FOX, and he has spoken on prestigious stages, including the United Nations.
