

Dr. Michael Lebow Announces Healthcare Made-Easy Grant for Undergraduate Students Nationwide

ATLANTA, GA, UNITED STATES, September 16, 2025 /EINPresswire.com/ -- [Dr. Michael Lebow](#), a nationally recognized board-certified vascular surgeon, officially announces the launch of the [Dr. Michael Lebow Healthcare Made-Easy Grant](#), an initiative designed to support undergraduate students across the United States who are pursuing careers in healthcare. The grant reflects Dr. Michael Lebow's lifelong commitment to advancing patient care through innovation, service, and minimally invasive approaches.

The Dr. Michael Lebow Healthcare Made-Easy Grant is open to undergraduate students currently enrolled at accredited colleges or universities within the United States. Eligible applicants must be pursuing or planning to pursue a career in a healthcare-related field such as nursing, pre-med, public health, or allied health. In addition to meeting academic and enrollment requirements, applicants are asked to submit an original essay of 500–700 words.

The essay prompt challenges students to share their vision for improving healthcare accessibility, efficiency, or compassion, while reflecting on how their personal journey aligns with Dr. Michael Lebow's mission to make patient care more effective and human-centered. Submissions will be evaluated on originality, clarity, alignment with the essay prompt, and the applicant's demonstrated passion for creating meaningful impact in healthcare.

The grant application is currently open, with a submission deadline of April 15, 2026. The selected recipient will be announced on May 15, 2026.

Dr. Michael Lebow is widely respected for his leadership in the field of vascular surgery and his dedication to advancing minimally invasive treatments. His professional journey spans service in

Dr. Michael Lebow Healthcare Made-Easy Grant

the military, advanced surgical training, leadership roles at top medical institutions, and the founding of the Limb Preservation Center in Jonesboro, Georgia. Throughout his career, Dr. Michael Lebow has combined medical expertise with a strong commitment to improving patient experiences, making healthcare more accessible and efficient for diverse populations.

By establishing this grant, Dr. Michael Lebow seeks to inspire the next generation of healthcare professionals to continue this mission. The initiative represents his belief that students who bring innovation, compassion, and dedication to the healthcare field will play a critical role in shaping the future of medicine.

The Dr. Michael Lebow Healthcare Made-Easy Grant is not restricted to applicants from any particular city or state. Students from across the United States who meet the criteria are encouraged to apply and take part in this opportunity to share their ideas and aspirations for advancing healthcare.

Additional details, including application instructions and eligibility requirements, can be found on the official website: <https://drmichaellebowgrant.com/>.
