

# EPEX Releases 'FOOL' the English Rendition of Their Latest Title Track '고마워 눈물나 (Grateful to Tears)'

NEW YORK, NY, UNITED STATES,  
September 12, 2025 /

EINPresswire.com/ -- After releasing their third full-length album, Youth Chapter 3 : ROMANTIC YOUTH, at the end of July, [EPEX](#) has released an English version of the album's title track, "[고마워 눈물나 \(Grateful to Tears\)](#)," with a new English title, "[FOOL](#)." This is EPEX's second track, completely sung in English; the first was their track "so nice," which was created in collaboration with American synth-pop duo, joan.

"I'm very excited to share 'FOOL,' the English version of the title track 'Grateful to Tears' from our third full-length album, with our fans. With the same melody but a different language, I think 'FOOL' highlights a difference in the overall tone of the song and the members' voices. I hope many people can empathize with and feel comforted by EPEX's music." - WISH, leader of EPEX

The original Korean version "고마워 눈물나 (Grateful to Tears)" is a sentimental pop track that portrays a mature acceptance of farewell. Its English rendition, "FOOL," describes a person who feels controlled in a relationship, as if being "played" in a game. The lyrics express a desire to break free and overcome the emotional setback from this relationship, despite acknowledging being a "fool in love." By presenting two distinct stories with the same melody, EPEX hopes to convey the group's wide spectrum of storytelling.

"Since all the lyrics in 'Grateful to Tears' were in Korean, I'm thrilled to present 'FOOL,' a full English version of the track. I believe you'll be able to enjoy the difference between the two

tracks if you listen closely to the message in each song. Please give it a lot of love!" - AYDEN, member of EPEX

"'FOOL' is the first full English track that is sung solely by EPEX members, so to me, it feels like a new challenge for us. I hope you show lots of love and support for 'FOOL,' and I look forward to the day we sing this song in person for our fans." - JEFF, member of EPEX

Ahead of the release of "FOOL," EPEX successfully concluded their third fan concert, ROMANTIC YOUTH, in Seoul and Tokyo in August, but they will soon be heading off to Macau to perform on October 4th as an extension of their fan concert performances. They also recently participated and performed at the 41st Mynavi TOKYO GIRLS COLLECTION 2025 AUTUMN/WINTER, a major fashion festival held in Saitama Super Arena in Japan on September 6th. Before the year closes out, fans can expect even more exciting performances and promotions from EPEX.
