

Aesthetic Studio Named 2025 Best of Florida Regional Award Winner

SAINT AUGUSTINE, FL, UNITED STATES, October 3, 2025 /EINPresswire.com/ -- Aesthetic Studio has once again earned statewide recognition, being named a 2025 Best of Florida Regional Award winner. This marks the third consecutive year the studio has received the honor, underscoring its reputation as a trusted destination for permanent makeup and advanced skincare services across Florida.

Founded and led by medical aesthetician and permanent makeup artist Ashley Whisenant, Aesthetic Studio offers a wide range of services, including NanoBlading, Microblading, Combo Brows, lash lifts, oncology facials, wedding facials, and advanced mixology treatments. Ashley's own experience with hyperpigmentation sparked her career in aesthetics more than a decade ago, and her expertise has since gained both local and international acclaim. In addition to her Best of Florida honors, she placed second in the 2025 Circadia Skin Transformation Challenge, competing against skincare professionals from 140 countries.

"Our mission has always been simple: to help people feel confident in their own skin," says Ashley Whisenant, owner of Aesthetic Studio. "Awards like this are an honor, but the real reward is seeing clients leave our studio with a smile, knowing they feel their best."

As a proud Circadia partner and holder of multiple advanced certifications—including oncology skincare, anti-aging, dermaplaning, and chemical peels—Ashley has built Aesthetic Studio into more than a beauty destination; it's a place of transformation.

Looking ahead, Aesthetic Studio plans to continue expanding its offerings while staying rooted in its core philosophy, coined by Anthony J. D'Angelo: "The greatest gift you can give yourself is a little bit of your own attention." With this latest recognition, the studio remains committed to delivering confidence, care, and results to the community it serves.
