/EINPresswire.com/ -- LUV Car Wash, one of the country's fastest-growing express car wash brands, is turning up the water pressure in Northern California. The acquisition comes as LUV doubles down on the region, with expansion plans in motion for Ukiah, Healdsburg, Fairfield, Petaluma, and Cloverdale.

“

Northern California is one of the most exciting regions we're building in right now,”

JT Thomson, Co-Founder of LUV Car Wash

Santa Rosa, where LUV first planted its NorCal flag, continues to serve as the launchpad for a growing network designed to give drivers more choice and convenience. For LUV, the North Bay is more than a market, it's a growth story that reflects the brand's broader vision.

“Northern California is one of the most exciting regions

we're building in right now,” said JT Thomson, Co-Founder of LUV Car Wash. “From Santa Rosa to American Canyon and beyond, we're creating a connected network of washes that gives drivers flexibility and freedom. Our members will have more options than ever before, whether they're running errands in town or heading out on a weekend drive through wine country.”

The American Canyon site will continue operating during the transition, with upgrades rolling out to align the wash with LUV's signature technology, sustainability practices, and unlimited membership program.

With more than 81 locations nationwide and dozens more in development, LUV Car Wash is rapidly reshaping the express car wash industry with a focus on speed, eco-friendly operations, and elevated customer experiences.
