

Termanology & SUMiT Unite for 7-Song Project MADE

Termanology & SUMiT bring fierce lyricism and soulful hooks on MADE. The leading track, "Ammunition" ft. Method Man, sets the tone with legendary energy.

NEW YORK, NY, UNITED STATES, September 26, 2025 / EINPresswire.com/ -- Acclaimed rapper/producer [Termanology](#) and rising rap/hip-hop artist [SUMiT](#) announced their highly anticipated project, [MADE](#), available today, September 26, 2025, via ST. Records.

The 7-song collection, born from the competitive spirit of hip-hop, finds both emcees pushing each other lyrically while weaving in standout collaborations. It's centerpiece, "Ammunition" featuring the legendary Method Man, made an explosive debut on September 12, hitting 25K streams on release day and surpassing 50K prior to the album drop.

What began as a conversation at a Statik Selektah SXSW afterparty in Austin, TX, quickly evolved into something bigger. "It started with us joking about who could out-rap who," SUMiT shares. "That turned into us sending verses back and forth, and before we knew it, we had a full project that felt like something special." Originally conceived as a 3-song EP, the momentum between

the two artists evolved into a 7-track short album, a blend of razor-sharp bars and soulful balance.

Termanology adds, "Hip-Hop has always been about competition and respect for the craft. This project captures both. Method Man's verse on 'Ammunition' elevated the track to another level and really embodies what we set out to do with MADE."
