

TMC Technologies Hosting Open House in Dahlgren, Virginia on September 18

TMC Technologies is pleased to invite the public to a special Open House event on Thursday, September 18, 2025, from 9am to 5pm at the UMW – Dahlgren Campus.

KING GEORGE, VA, UNITED STATES,
September 15, 2025 /
[EINPresswire.com/](https://www.einpresswire.com/) -- [TMC Technologies](#)
is pleased to invite the public to a
special Open House event on
Thursday, September 18, 2025, from
9:00 a.m. (0900) to 5:00 p.m. (1700) at
the University of Mary Washington – Dahlgren Campus, located at 4224 University Drive, King
George, VA 22485.

“

This event is about opening our doors and showing how our values and our work align to support national security.”

*Jeff Edgell, Chief Operating
Officer and Executive Vice
President*

This event is designed for residents of the Dahlgren, King George, and Fredericksburg, Virginia area to learn more about TMC Technologies, its mission, customers, innovative products, and collaborative company culture. For nearly 20 years, TMC Technologies has proudly provided mission-critical support to the Naval Surface Warfare Center – Dahlgren Division (NSWCDD), delivering cutting-edge solutions that help advance national defense capabilities.

Attendees will have the opportunity to explore TMC's

flagship technologies, including:

FlexSat®: A modular, flight-ready small satellite platform designed to accelerate space mission development and deployment.

SSDT® (Small Satellite Digital Twin): A powerful suite of tools that enables rapid prototyping and testing of spacecraft systems using NASA's NOS3 framework.

Advanced software engineering and systems integration supporting NSWCDD, Naval Surface

Warfare Center – Crane, Indiana, NASA, FBI, Department of Defense, and other government, academic, and commercial customers.

"This Open House is a chance for the community to see who we are, what we do, and why it matters," said Wade Linger, President and CEO of TMC Technologies. "We're proud of our work and the partnerships we've built, and we're excited to share that story with our neighbors."

"TMC Technologies is more than a defense contractor, we're a team of innovators, collaborators, and problem-solvers," said Jeff Edgell, Chief Operating Officer and Executive Vice President. "This event is about opening our doors and showing how our values and our work align to support national security."

"We've built a strong presence in Dahlgren through trust, technical excellence, and a shared commitment to mission success," added Mike Mitchem, Program Manager for TMC Technologies – Dahlgren Division. "This Open House is a great opportunity for the community to engage with our team and learn about the impactful work we're doing."

The graphic is a promotional poster for an Open House event. At the top left is the TMC² TECHNOLOGIES logo on a dark blue background with a hexagonal pattern. To the right, it says "University of Mary Washington Dahlgren Campus". The main title "OPEN HOUSE" is in large, bold, white letters on a dark blue background. Below this, the text "Meet The Team • See The Mission Find Where YOU Fit In" is in bold, dark blue letters. A date and time box says "THURS 9AM TO SEPT. 18 5PM". Below that, it says "Scan the QR code to RSVP and Learn More" and provides the website "tmctechnologies.com/open-house". At the bottom, there are three hashtags: "#RightPeople #RightSolutions #RightTime". On the right side, there is a QR code with the TMC² TECHNOLOGIES logo in the center.
