

Apiagne Expands to Davao City with Launch of Apiagne OPC, Delivering 24/7 IT Support for Global Enterprises

Apiagne OPC launches in Davao City to deliver seamless 24/7 IT support, ensuring zero downtime for global businesses.

DAVAO CITY, DAVAO, PHILIPPINES, September 15, 2025 / EINPresswire.com/ -- [Apiagne](https://apiagne.com/) Inc., a global leader in technology consulting and managed IT services, today proudly announced the opening of its new office in Davao City under the name Apiagne OPC. This expansion marks a strategic milestone in Apiagne's mission to provide uninterrupted, round-the-clock IT [support](#) to businesses worldwide, while tapping into the Philippines' fast-growing IT and BPM sector.

With Davao's IT ecosystem growing at an impressive 8–10% annually and contributing ₱15–20 billion to the local economy, Apiagne OPC is positioned to serve as a premier hub for night shift IT services. This new office underscores the company's global vision to become the leading provider of 24/7 managed IT services by 2030, ensuring that clients across industries can minimize downtime, strengthen cybersecurity, and enhance operational efficiency.

"At Apiagne, we empower businesses with seamless IT operations, allowing them to focus on their core objectives without disruptions," said Ethel Vera Papasin, General Manager of Apiagne OPC. "Our Davao office will serve as a hub for expert night shift support, ensuring zero downtime through proactive monitoring, AI-assisted resolutions, and personalized troubleshooting."

Meet Our Team Member

ETHEL VERA PAPASIN
GENERAL MANAGER

Responsible for overseeing day-to-day operations, driving strategic initiatives, and ensuring organizational goals are achieved efficiently and effectively. With a proven background in leadership, business development, operations management, and financial oversight, I am committed to fostering a culture that brings out the best in our people—and, through them, the best in our company.

Czar Elfred Corsame, Sales Associate – connecting clients with tailored technology solutions that maximize results.

“

At Apiagne, we empower businesses with seamless IT operations, allowing them to focus on their core objectives without disruptions”

Ethel Vera Papasin, General Manager of Apiagne OPC

This team is supported by Apiagne’s certified IT professionals, advanced monitoring tools for proactive issue detection, and proven expertise in enterprise IT environments. Together, they will deliver Level 1–3 IT support, help desk services, cybersecurity monitoring, and troubleshooting across multiple time zones.

A Reliable Partner for Global Businesses

Apiagne’s 24/7 IT support offering is designed for industries where downtime is not an option—healthcare, finance, e-commerce, and manufacturing. With support available from 8 PM to 8 AM (customizable to client needs), businesses benefit from:

Faster issue resolution and reduced wait times

Seamless support for global time zones

Improved help desk quality and customer satisfaction

Scalable services without the cost of internal overnight teams

AI-assisted monitoring to proactively prevent disruptions

As global enterprises increasingly demand after-hours support, Apiagne OPC stands ready to ensure clients achieve operational continuity, enhanced security, and long-term growth.

Strengthening Davao's Tech Ecosystem

Beyond client services, Apiagne OPC is also committed to contributing to Davao's thriving startup and IT ecosystem. The company will actively participate in regional innovation initiatives such as Tech Week PH 2025, host thought-leadership webinars, and publish insightful content on minimizing IT downtime.

By combining global expertise with local talent, Apiagne Inc. continues to set the standard for responsive, reliable, and future-ready IT support.
